# Monthly STD/HIV Data Update

Cases diagnosed from January 1<sup>st</sup> to April 30<sup>th</sup> , 2009

This Monthly Update provides summary year-to-date (YTD) data about HIV and STDs in Maine. For each disease, the YTD total is shown and compared with the median\* YTD values for the previous five years. Please note that data presented here may change due to reporting delays or pending epidemiologic investigations.
